**Special Appreciation
Reception For
Evelyn Epps
& DJ Minnick!**

You are invited to join us this Sunday evening, May 2, immediately following the evening worship for a time of fellowship to show our great appreciation to two very special servants of God, Evelyn Epps & DJ Minnick.

Because of our Budget Shortfall we have had to make cut-backs which has resulted in the elimination of the staff positions held by DJ & Evelyn. We have asked them to allow us to have a reception to express our appreciation for their service. Don't miss it!

Practically Speaking

By C. Wayne Childers

The Wait is Over.

Now we all know that the wait is over. Or, at least that is what the sign says. You know, the sign that said "The End Is Near," now says "The Wait Is Over." However, the red is now the "ER." So the wait is over and we still don't know anything. The only thing we know is that "ER." in red must mean something.

The creators must love guys like me. I am now publishing their ad and giving it more visibility. My luck, this is going to be the ad for some alcoholic beverage company or a new strip club.

So they want us to ask what we have been waiting for. It must be something new, something exciting, something meaningful, something important for them to spend so much money on the signs. Those signs can run thousands per month.

Waiting is difficult. The scripture reminds us to be patient, steadfast, diligent, purposeful and deliberate in our lives. We must wait on the Lord and He will renew our strength. We must allow Him to reveal His will to us as He pleases. We must be patient as we see Him reveal the rest of the mystery of life.

One day the wait will be over.
